Monthly News Bulletin of the
Iowa City Aerohawks Radio Control Flying Club

Aerohawks Fly Into Summer

Aerohawks are welcoming the beautiful summer with grillin', chillin', and warm evenin' flights. Folks have come out of hibernation to enjoy the warmer temperatures and each other's company. While there have been a few mishaps, most of the flights have been successful with planes intact. It has been a great start to summer and everyone is looking forward to the upcoming flying months/events. Don't forget to start getting your planes ready for the annual air show. It will be here before you know it!

The Radio Flyer is published monthly by the Iowa City Aerohawks, a radio control flying club, and distributed free to members, by e-mail and USPS mail. Non-members may receive the newsletter by e-mail as a PDF file, by request. Spectators are welcome at the Aerohawks' flying field and clubhouse on Hebl Avenue, west on Melrose, west of HWY 218, on manicured, reclaimed land near the entrance to the Landfill. New members are welcome at any time, at any level of skill. The Club has an active, free instructional program for beginners. Membership is \$60 annually, and the Club also requires that members volunteer help with work projects from time to time. Members must also join the Academy of Model Aeronautics, (the Iowa City Aerohawks are Chapter 824).

Aerohawks
General Meeting
May 1, 2018

Meeting brought to order by President Dave Petsel @ 7:00PM at the airfield.

Treasurers report from

Motion to accept – Gerald Hollander

2 nd – Roger Schultz

Accepted

Secretary Bill Kiesel supplied the minutes.

Dave asked if any changes to the month's minutes.

None seen

Motion to accept – Lance Meyer

2 nd – Kevin Malamphy

Passed

OLD BUSINESS –

Thank you to everyone for doing the work on the field. Lots of lawn work and runway work. We also rolled the runway, and it is a lot smoother. We will be rolling again with a 4 ton roller, if necessary.

The new wind sock has been installed and looks great. Bill Lee has also installed another wind sock by the parking lot and is visible from the camera. Thank you Bill.

We are still looking for a good lake for a float fly. Please let Dave Petsel know if you have an idea.

The mowing schedule has been posted. Please make sure to sign up for your time.

Work is ongoing for the Swap Meet 2019.

NEW BUSINESS

Dave mentioned that if you are playing music at the field, please be very thoughtful of others. Make sure that the music you are playing is acceptable to all present that can hear it. Being courteous to your fellow pilots is appreciated.

All Members, please review the club safety rules. Make sure you understand the boundaries and limits for our flying area. We want to be good neighbors.

Maiden flight day will be Sunday, May 20 th . Please mark your calendars and get those planes finished up.

We have been registered to be in the Coralville 4 th of July parade again. This is always a fun time.

The landfill will be taking care of removing the trees that need removed. Thank you in advance to the City of Iowa City, and the Land fill for doing this.

Motion to adjourn – Tom Peters

2 nd – Dion Daubenmier

Meeting is adjourned 7: P.M.
