4th of July Parade...

Calling all Aerohawks for the annual Coralville 4th of July Parade! We are gathering at 8:30am on 22nd Street next to the large parking lot of Geico/McGregor. Please wear your yellow Aerohawk shirt if you have one. If you need a tshirt you can purchase one at the July 3rd monthly meeting. If you need more information be sure to check the email sent by Rich VeDepo.

2018 Aerohawks Airshow...

The airshow is right around the corner on August 19th. Be sure to get your planes ready for action. It's going to be a great event!

The Radio Flyer is published monthly by the Iowa City Aerohawks, a radio control flying club, and distributed free to members, by e-mail and USPS mail. Non-members may receive the newsletter by e-mail as a PDF file, by request. Spectators are welcome at the Aerohawks' flying field and clubhouse on Hebl Avenue, west on Melrose, west of HWY 218, on manicured, reclaimed land near the entrance to the Landfill. New members are welcome at any time, at any level of skill. The Club has an active, free instructional program for beginners. Membership is \$60 annually, and the Club also requires that members volunteer help with work projects from time to time. Members must also join the Academy of Model Aeronautics, (the Iowa City Aerohawks are Chapter 824).

Aerohawks General Meeting June 5th, 2018

OLD BUSINESS –

Please check out the mowing schedule and see what is still available. Make sure to fill in the empty spaces for your chance.

The E-Flite carbon cub will be the plane for raffle this year. Make sure to plan for purchasing your tickets to win.

Congrats to our new pilots.

Thank you Rich for what you do for the hobby. It was listed in the Model Aviation this month. Make sure to check it out.

Still looking for a lake to use for our float fly. Please make sure to let Dave Petsel know if you have a location you think we could use.

The 4th of July parade is right around the corner. We are registered to walk in it again. We have printed up lots of hand bills to hand out. Please be sure to mark your calendars and schedule this to be part of. We are always looking for planes to put on the float.

NEW BUSINESS

We are planning for the Airshow. Make sure you are checking out the event lists that Rich has been sending out, and sign up for the events you want to fly in.

Rich read the events that are currently scheduled. Lots of fun events. Make sure to talk with Rich to be involved.

If you are not flying in the airshow, and feel you have time, make sure to think about being part of the other areas that need help. IE: Concessions, parking, raffle, ...

Rich and Dave are going to be sending out information for the Airshow to local news and radio services.

Be sure to share the Airshow on your facebook page.

Bruce Fischer asked about members that still need trained as a pilot.

Motion to adjourn – Roger Schultz
