Weird Weather

Another month of flying in the books! We've had some cold and rainy days, but that won't stop us from enjoying the beautiful flying days in-between. The few days of warm weather left call for a grill out. Whats better than food and RC planes?

Congrats to everyone who was able to maiden and get some new planes in the air!

We have set a date for the annual Iowa City Aerohawks Swap Meet so make sure you mark your calendar! It is Saturday, February 2, 2019 at the Coralville Marriot and Convention Center.

The Radio Flyer is published monthly by the Iowa City Aerohawks, a radio control flying club, and distributed free to members, by e-mail and USPS mail. Non-members may receive the newsletter by e-mail as a PDF file, by request. Spectators are welcome at the Aerohawks' flying field and clubhouse on Hebl Avenue, west on Melrose, west of HWY 218, on manicured, reclaimed land near the entrance to the Landfill. New members are welcome at any time, at any level of skill. The Club has an active, free instructional program for beginners. Membership is \$60 annually, and the Club also requires that members volunteer help with work projects from time to time. Members must also join the Academy of Model Aeronautics, (the Iowa City Aerohawks are Chapter 824).

None seen

Motion to accept – Larry Bailey

2nd – Roger Schultz

Passed

Dave mentioned that we did have some storm damage in the clubhouse and grounds. One window was broken. Several branches were knocked down. We will be re-evaluating our insurance and making sure necessary items are covered.

OLD BUSINESS –

President Dave Petsel brought forth the review of the air show.

A big thank you for everyone who helped out. It went extremely smooth.

We would like to throw a very special thank you out to everyone's family that also helped out.

We reviewed all of the positives of the show, and also things that we can improve on.

The show was very successful.

Reminder of the swap meet –

February 2nd. – Saturday

Discussion regarding the float fly. Still trying to put together.

NEW BUSINESS

Introduction of a new member.

The air show was very successful in the recruitment of new members. 3 for sure.

Motion to adjourn – Larry Bailey

2nd – Roger Schultz

Meeting is adjourned – 8:07PM
