OLD BUSINESS –

Don't forget the fun fly coming up October 14 th . It will be an awesome time like always!

Things are progressing forward for the swap meet. Make sure you get a table reserved

and also figure in time to assist with the meet. Everyone is needed to make sure this is

another successful event.

If you have an airplane tail holder in your possession that belongs to the club, make sure you bring it back in and leave it here. We will be looking at each one of these and rebuilding as necessary. Thank you for checking on this.

We will be having a float fly on October 27 th . It will be out at Lake McBride. Please mark your calendars for a fantastically fun day.

We will be having our next General meeting (November) at the Pizza Ranch in North Liberty. Our winter facility.

NEW BUSINESS

Dave Petsel brought up that this is the time of year for volunteers and nominations for Board Members. Please let Dave know if you are interested in being on the Board.

Discussion ensued regarding the need for a Board meeting every single month. The By-Laws allow for leniency in this.

Please be aware and monitor what is going on in the Government regarding the FAA and flying. This can be very serious in regards to our hobby. Please contact our Representatives and express our concern for this. This is VERY IMPORTANT!!!

Motion to adjourn – Roger Schultz

2 nd – Gerald Hollander

Meeting is adjourned – 7:45PM
