The Radio Flyer is published monthly by the Iowa City Aerohawks, a radio control flying club, and distributed free to members, by e-mail and USPS mail. Non-members may receive the newsletter by e-mail as a PDF file, by request. Spectators are welcome at the Aerohawks' flying field and clubhouse on Hebl Avenue, west on Melrose, west of HWY 218, on manicured, reclaimed land near the entrance to the Landfill. New members are welcome at any time, at any level of skill. The Club has an active, free instructional program for beginners. Membership is \$50 annually, and the Club also requires that members volunteer help with work projects from time to time. Members must also join the Academy of Model Aeronautics, (the Iowa City Aerohawks are Chapter 824).

# **New Club Officers** Continued from Page 1

As is stated in the bylaws (and also by tradition) Rich Vedepo will serve in the role of Past President. Please give the new officers a pat on the back the next time you see them. The club really needs these volunteers to keep things running and those that have served in the past should get our thanks as well. I think we all sometimes forget just how much effort goes into keeping the club running and while it is a group effort of all the members, we do lean heavily on our officers to help us get things done.

## **Swap Meet Update**

**There are only 7 tables left for the swap meet, if you need one, get it before they're gone.**

**We need someone to volunteer to chair the concessions.** If we don't have somebody soon, there will be no concessions at the swap meet this year! Once we get somebody to chair the concessions, we will still need volunteers to run the concessions throughout the day. **Make it your New Year's Resolution to volunteer this year and you could be done with your resolution quick!**

## **Message from Rich Vedepo – President**

I hate to report our wonderful elderly neighbor, Mrs Haman, recently fell and broke her hip. She has since been placed in an assisted living facility and will not be returning home. Our thoughts and prayers are with her in hopes she makes a complete recovery.
